

APPROVAL FOR CREATING CUSTOM ITEM BID

Sub: Procurement of Spares for Vapour Absorption Machine for NAG Plant on proprietary basis from M/s. Thermax or their authorized dealer / distributor / representative against PR No 10080887

1. We have received above reference PR duly approved from competent authority.
2. Technical Specification used for creating custom catalogue are per SAP indent.
3. After examining the GeM ARPTS the Competent Authority is satisfied that the procurement of the required item is not feasible from items / catalogues available in any of the existing categories in GeM even after addition of up to 5 parameters in the existing category specifications.
4. As per referred PR and proprietary approvals, user recommended to send enquiry to M/s. Thermax or their authorized dealer / distributor / representative on proprietary basis.
5. User has submitted GeM Non-Availability Report.
6. As indented material / products is not on GeM Portal, PAC (Proprietary Article Certificate) buying through GeM portal is not possible. Hence tender shall be published through custom bid as per created custom catalogue
7. Since item is to be procure on proprietary basis, hence purchase preference to MSE and MII Policy shall not be applicable
8. As per RCF requirement mentioned by user department delivery of the material shall be 98 days (i.e. 14 weeks) from date of PO placement.
9. Time for submission of offers shall be 10 days (i.e. minimum bid submission period in GeM); being proprietary tender.

In view of above, it is proposed:

1. To create custom bid for subject procurement.
2. Offer submission due date shall be 10 days
3. Since item is to be procure on proprietary basis, hence purchase preference to MSE and MII Policy shall not be applicable
4. As per RCF requirement mentioned by user department delivery of the material shall be 98 days (i.e. 14 weeks) from date of PO placement
